2. **\*\*The Stinky Foot Test:\*\*** This test is a bit more gross, but it's sure to get a reaction. Have your friend or family member put their feet in a bucket of warm, stinky water. Then, have them close their eyes and try to identify the different scents they can smell.

3. **The Smelly Sock Test:** This test is similar to the Stinky Foot Test, but it involves socks. Have your friend or family member wear a pair of smelly socks for a few days. Then, have them take the socks off and try to identify the different scents they can smell.

## **Scary Tests**

4. **The Jump Scare Test:** This test is a classic for a reason. Simply hide behind a door or object and wait for your friend or family member to walk by. Then, jump out and scare them! Be sure to capture their reaction on video for maximum enjoyment.

5. **The Haunted House Test:** This test is a bit more elaborate, but it's sure to get your friends and family screaming. Create a haunted house in your home or backyard, complete with spooky decorations, sound effects, and actors. Then, invite your friends and family over for a tour.

6. **The Ouija Board Test:** This test is said to summon spirits from the other side. However, it can also be used to scare your friends and family. Simply gather a group of people around a Ouija board and ask a few questions. See if you can get any spirits to respond!

## **Silly Tests**

7. **The Marshmallow Challenge Test:** This test is a fun way to see how creative your friends and family are. Give them a bag of marshmallows and some toothpicks and challenge them to build the tallest structure they can in 10 minutes. The results are always hilarious!

8. **The Pictionary Test:** This test is a classic party game that's always good for a laugh. Divide your friends and family into teams and have them

take turns drawing words or phrases on a piece of paper. The other team has to guess what they're drawing.

9. **The Charades Test:** This test is similar to Pictionary, but instead of drawing, players have to act out words or phrases. The other team has to guess what they're acting out.

10. **The Food Challenge Test:** This test is a great way to see how adventurous your friends and family are. Give them a plate of unfamiliar foods and challenge them to try them all. See how many they can stomach!

11. **The Blindfold Food Test:** This test is similar to the Food Challenge Test, but with a twist. Blindfold your friends and family and have them try to identify different foods by taste alone. See how many they can guess correctly!

12. **The Tongue Twister Test:** This test is a fun way to see how well your friends and family can pronounce difficult words. Give them a list of tongue twisters and challenge them to say them as fast as they can. See who can say the most tongue twisters correctly in a row.

13. **The Compliment Contest:** This test is a fun way to spread some positivity. Have your friends and family take turns giving each other compliments. See who can give the most creative or heartfelt compliment.

14. **The Laughter Challenge:** This test is a great way to see how well your friends and family can laugh. Have them try to make each other laugh for as long as they can. See who can make the other person laugh the loudest or the longest.

15. **The Dance Party Test:** This test is a fun way to get your friends and family moving. Put on some music and have them dance around the room. See who can come up with the most creative or funniest dance moves.

16. **The Charades Challenge:** This test is a fun way to see how well your friends and family can communicate without words. Have them take turns acting out words or phrases, and see if the other person can guess what they're acting out.

17. **The Blindfold Obstacle Course:** This test is a fun way to see how well your friends and family can navigate a course without being able to see. Blindfold them and have them try to navigate a course of obstacles, such as chairs, tables, and walls. See who can complete the course the fastest without bumping into anything.

18. **The Taste Test Challenge:** This test is a fun way to see how well your friends and family can identify different foods by taste alone. Blindfold them and have them taste a variety of different foods, and see if they can guess what they're eating.

19. **The Scavenger Hunt:** This test is a fun way to get your friends and family exploring. Create a list of clues and hide them around your home or backyard. Divide your friends and family into teams and have them search for the clues. The first team to find all of the clues wins.

20. **The Movie Challenge:** This test is a fun way to see how well your friends and family know movies. Give them a list of movie quotes and have them guess which movie the quote is from. See who can guess the most quotes correctly.

These are just a few of the many smelly, scary, and silly tests that you can try with your friends and family. So next time you're looking for a way to have some fun, give one of these tests a try!
