

# Praxis Core Test Prep Word Roots Vocabulary Review Flashcards

Our Praxis Core Test Prep Word Roots Vocabulary Review Flashcards are the perfect way to prepare for the Praxis Core exam. With over 1,000 flashcards covering the most common word roots, you'll be able to master the vocabulary you need to succeed on test day.

## What are word roots?

Word roots are the basic building blocks of words. They are usually one or two syllables long, and they carry the core meaning of a word. For example, the word "happy" has the word root "hap," which means "good fortune." By understanding word roots, you can easily decode new words and expand your vocabulary.
