Daily Readings

Each day of the Family Advent Guide includes a short reading from the Bible. These readings are taken from the Old and New Testaments and tell the story of God's plan of salvation. The readings are written in a clear and easy-to-understand style that will be accessible to all members of your family.

Discussion Questions

After each daily reading, there are a few discussion questions that you can use to talk about the reading with your family. These questions are designed to help you and your family reflect on the meaning of the reading and how it applies to your own lives. The discussion questions are open-ended, so there are no right or wrong answers. The important thing is to talk about the reading and share your thoughts and feelings with each other.
